OLYMPIC TRAINING

The 1967 Olympic Fencing Training Camp for men and women will be held from June 11 through June 18 at Stevens Tech. The location of the Camp in the New York Metropolitan area will allow the unique management of accommodating both those fencers who will require housing and those fencers in the area who will be able to participate on a "day camp" basis.

This year's Camp will test a number of innovations including the use of the "scorecorder" as a fencing training and timing tool. As in the past Camps, some of the leading coaches in the nation will serve on the staff.

For complete details available on written request.

For information contact: Kirmss, Olympic Fencing Camp Director, Department of Physical Education, Stevens Institute of Technology, Castle Point Station, Hoboken, New Jersey 07030

PERSONALS

Congratulations to Mr. and Mrs. Vincent Surdi of Essex Falls, N. J. on the birth of Vincent Jr. on December 29, 1966. The new member of the family is known to one and all as "Skippy".

THE HALBERSTADT FENCERS CLUB

A group of Hans Halberstadt's students have organized The Halberstadt Fencers Club to maintain a third fencing center in San Francisco. The members are proud to carry on the fencing tradition so splendidly established by Mr. Halberstadt.

The Salle will maintain its present address at 3145 Fillmore Street in the Marina and is presently open two days a week, on Thursday evening and all day Saturday. Mr. Charles Selberg is available for lessons. On days when the Salle is not open, any information may be obtained from Mr. John McDougall, American Fencers Supply Co., 2122 Fillmore St. (telephone, 346-8662).

The Club cordially invites any fencers to stop by to fence or just to visit.

PRESIDENT'S CORNER

Publicity:

Your National Office constantly is seeking publicity for our sport. The March issue of the AAHPER (American Association for Health, Physical Education & Recreation) contained an excellent article on our Junior Olympic Fencing Program. Considerable interest is apparent as evidenced by the many requests for promotional material received by the AFLA National Secretary. An article also has been scheduled for inclusion in the publication "Recreation Management", official magazine of the National Industrial Recreation Association.

A new pamphlet entitled "How to Understand and Enjoy the Sport of Fencing" recently has been completed. It is a handy pocket-size, 4x8½, and primarily is designed for spectator comprehension of our sport. Copies have been mailed to AFLA Division Chairmen and Secretaries and free supplies may be obtained by writing to the AFLA National Secretary, Mr. Latzko, 33 62nd Street, West New York, New Jersey 07093.

A simplified membership form also has been developed and supplies can be obtained from the AFLA National Secretary. The front of the form contains our regular membership application and the reverse side outlines the promotional, illustrative and technical material available such as:

1. Questions & Answers re AFLA
2. How to Organize a Fencing Program
3. Fencing Visual Aids
4. Fencing Bibliography
5. Spectator Understanding of Fencing
6. Junior Olympic Brochure
7. Jr. Olympic Publicity Poster
8. Fund Raising Brochure

Fund Raising:

Our fund-raising brochure was mailed to each AFLA member in March 1967. As of April 10, 1967, contributions in the aggregate amount of \$1,100.00 had been received — approximately equally divided between the U. S. Development Fund and International Development Fund. Our sincere thanks to those who have already contributed. To those who have not as yet sent their checks, please

let us have your support. The necessity of resources to continue our many development programs should be obvious to each fencer. JOIN OUR CAMPAIGN TO SEE FENCING GROW.

Membership:

As of March 23, AFLA membership amounted to 3,445. We have encouraging prospects of substantially exceeding last year's AFLA total of 3,674. As previously indicated, there must be no let-down in our efforts to enlarge the membership of the AFLA.

Junior Olympic Fencing Program:

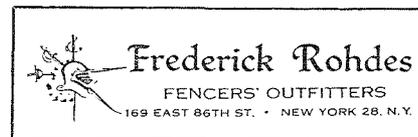

Periodic reports by Division Junior Olympic Fencing Committees reveal that interest in fencing successfully has been generated. As soon as notification has been received from the U.S. Olympic Committee of the amount of funds allocated to fencing, details will be provided the various Divisions to allow for continuation of the Junior Olympic activity.

Fencing For Women:

The January 1967-January 1969 Fencing Guide of the DGWS (Division for Girls and Women Sports) contains an excellent article entitled "Survey of Fencing for Women in Colleges and Universities". We have been fortunate in receiving permission to forward copies of such article to AFLA Division Chairmen. Interested parties can secure a copy of the Fencing Guide by sending \$1.00 to the DGWS, 1201 16th St., N. W., Washington, D. C. 20036. The guide contains, in addition to the foregoing, some excellent articles on fencing.

The DGWS is a nation-wide, well organized entity ideally structured for promotion of our sport. A listing of DGWS state and district Chairmen has been forwarded to AFLA Division Chairmen and also can be obtained from the AFLA National Secretary. Their assistance can be invaluable in organizing and conducting fencing clinics, seminars or workshops.

NORTH ATLANTIC INTERCOLLEGIATE

by Sidney Schwartz

The 17th North Atlantic Intercollegiate Championship was won by Johns Hopkins, coached by Richard Oles. The event was held at Syracuse University and drew twelve schools. The Buffalo Trophy for Foil Team went to Syracuse; the Syracuse Trophy for Epee Team was won by Cornell; the Santelli Trophy for Sabre Team went to Paterson State which thus was the only successful defending championship team.

Individual championships were also well distributed. Greg Boranko of Newark College of Engineering won the foil, displacing Johns Hopkins' Jerry Lam who placed third. Don Sieja of Cornell won the epee on a fence-off with Mark Weinger of Pace. Tim Szabo of Paterson defended his sabre crown with an undefeated record in the final.

NEW YORK ATHLETIC CLUB TOURNAMENT MARTINI-ROSSI CHALLENGE

by William Latzko

The Seventh Annual Tournament, held from April 14 to April 16 in New York, attracted over 160 competitors from 15 nations.

The finals played to a standing-room only crowd which were kept on the edge of their seats by the top fencers of the world competing for the Martini Rossi trophy.

Roland Losert of Austria took the Foil Championship by defeating Heizaburo Okawa of Japan in a hotly contested, direct elimination final. Having split the first two bouts of the three, Losert took the crown with a convincing 5-3 victory. Franke of Poland won second place by defeating his teammate M. Gaylor, also of Poland, 2 out of 3 bouts.

Epee again saw Roland Losert of Austria win the first bout 2-5, while Nielaba tied with Okawa in the second bout. In the final bout, Nielaba tied 2-4, when the one minute warning was called. Nielaba then obtained the third touch on the forearm and tied the score with a droit touch to the toe. Nielaba finally won the championship with a rapid redoublement from a corps-a-corps before halt was called.

The Sabre competition, unlike the Foil and Epee, ended in a pool final of six obtaining direct elimination and repechage of the finalists. Poland's World Champion Pawloski defeated Tibor Pesza of Hungary in a barrage to take the Sabre title. Pesza was followed by his teammate, Roland Losert of Hungary, with Wladimirov of Italy fourth, Eugene Hamori of Japan fifth, and Michael Desaro of the United States sixth.

Nations participated in the match of nations, a direct elimination competition using all weapons. Hungary won first place by defeating Poland 15-14.

The events were spectacularly staged by the organizing committee under the direction of Jack Keane. We were fortunate to have on the Directorie Technique M. Rene Langer, President of the French Fencing Federation, whose valuable assistance helped to achieve the smooth operation of the tournament.

A GRAND SLAM

by Irwin Bernstein

Essex Catholic High School capped an undefeated season with a sweep of the three major high school events in the metropolitan area. The team from Newark had won the NYU Interscholastic and the Cetrulo Memorial Tournaments early in 1967 and then won the over-all team title at the 43rd annual New Jersey High School Championships held at Paterson State College.

This last tournament consisting of team and individual events in foil and sabre saw the Essex champions win 34 of 36 bouts in foil and place all four team members in the foil final of seven. Wayne Krause, the defending individual foil champion, was undefeated in 15 bouts. The sabre team crown went to Ramapo and the individual to Bill Orton who was undefeated in the final of six.

Summary

Over All Team: 1) Essex Catholic (15/6); 2) Ramapo (47/10); 3) Indian Hills (41/16); 4) Morris Hills (31/26); 5) Barringer (29/28).

Foil Team: 1) Essex Catholic; 2) Ramapo; 3) Indian Hills, 4) Barringer; 5) Morris Hills

Sabre Team: 1) Ramapo; 2) Essex Catholic; 3) Indian Hills; 4) Morris Hills; 5) Morris Knolls

Foil: 1) Wayne Krause, E C, 6/0; 2) Tom Keller, R, 4/2; 3) Fred Giordano, E C, 3/3; 4) Steve Sisa, E C, 3/3; 5) Jim Toohey, E C, 3/3; 6) Skip Giovanetti, I H, 1/5; 7) Mike Fabricante, M H, 1/5.

Sabre: 1) Bill Orton, R, 5/0; 2) Wayne Baker, I H, 4/1; 3) Rick Gattoni, R, 3/2; 4) Dave Bryer, E C, 2/3; 5) Joe Ferrara, E C, 1/4; 6) Mike Mosquera, M H, 0/5.

JANE DARDIA

Jane has been living and working in Madrid and through the good offices of our friend and leader of the Spanish Federation, Sr. Carbonell, she has resumed fencing and writes:

"... taking lessons from the Spanish maestro Kronlund — he reminds me of Ray Miller . . . After only 5 or 6 sessions I brazenly entered the International Costa de Sol Tournament in Malaga . . . As there were no Spanish women who qualified for the final — only Mees from Germany, Oggero and Martina from Italy, and me — Sr. Carbonell and all Spaniards are very happy that I, as an honorary Madrilena, won!"
We're all proud and happy, too.

NATIONAL CHAMPIONSHIPS - 1967

Paul Etter, Chairman

Bout and Organizing Committees

About 300 fencers will compete in the 1967 National Championships June 24 through July 1 at Santa Monica, California.

The competitions are being organized to create more spectator and media interest. As a result, the plan for the Nationals departs from the traditional format in several minor respects, but not at the expense of the interests of the competitors.

The women's and sabre finals will be staged June 30 at Santa Monica Civic Auditorium, the site of the Academy Awards. Finalists will receive a \$15 per diem for each day they must hold over to compete at the Civic.

Schedule: (Santa Monica High School)
June 24 Foil Individual
June 25 Women's Team and Sabre Team
June 26 Foil Team
June 27 Epee Individual
June 28 Women's Individual and Under 19 Foil
June 29 Sabre Individual
June 30 Epee Team
Women and Sabre Finals (Civic Aud.)
July 1 Under 19: Women, Epee and Sabre

Other Activities:

June 23 Reception — Lanai Room, Miramar Hotel 7:30 p.m.
July 1 Annual Meeting — Miramar Hotel 3:00 p.m.
Gala Dinner/Dance — Aviation Room, Miramar Hotel 7:30 p.m. — Dress Optional

Locations:

Santa Monica High School — 4th Street and Pico Boulevard, Santa Monica
Santa Monica Civic Auditorium — 3rd Street and Pico Boulevard, Santa Monica
Miramar Hotel — Wilshire Boulevard and Ocean Avenue, Santa Monica

Accommodations:

The official residence for fencers and friends attending the Nationals is the Miramar Hotel, which is offering special

rates as follows: Single, \$12 per day; Double, \$17 per day; Suite for three persons, \$25 per day; and Suite for four persons, \$30 per day. Rollaway bed for any room is \$3 extra.

A limousine service will transport participants from Los Angeles International Airport to the Miramar.

For brochures, maps and information on other traveler accommodations in Santa Monica, please contact Patricia Etter, Southern California Division Secretary, 10661 Wilkins Avenue, Los Angeles, California 90024.

Check-in:

Check-in for each event will be 7:30 a.m. Competitors will have 45 minutes in which to certify their equipment with the Technical Committee.

Roll Call:

The roster of entrants for each competition will be called by the Bout Committee at 8:15 a.m. Any fencers who fails to answer this call will be scratched, with no recourse to appeal. The first round of each event will start at 8:30 a.m.

Bout Committee:

Members of this Committee are: Paul Etter, John Farrell, Jan Romary, Jack Keane, Joe Elliott, Bill Latzko, Sal deBellis, and John Geraci.

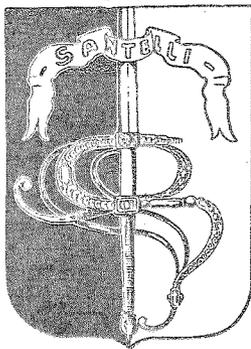

The Bout Committee cannot amend the rules of fencing; its decisions are final on matters within its jurisdiction. If the Bout Committee ignores or misapplies a rule, however, redress is through a Jury of Appeal. Any such appeal will be heard only if in writing.

Certification:

Each division secretary must compile a list of qualifiers and alternates who, as a result of their placement in the divisional qualifying competition, are eligible to compete in the National Championships. This list must be mailed to the AFLA Secretary immediately following the divisional qualifying competition. It will not be accepted after May 29.

The following information must be prepared by the division secretary for each weapon:

1. All automatic qualifiers in order of strength

to Enter the Nationals;

All automatic qualifiers, regular qualifiers, Under 19 qualifiers are eligible to compete in the Nationals, but only when they submit official entries. Alternates also may submit entries. In descending order, alternates become eligible to compete in the Nationals, providing that openings are made here as the result of regular qualifiers failing not to enter.

Those qualified and alternate fencers wish to compete in individual events must submit the Individual Application Form, which will be found herein. Each entrant must send a \$5 registration fee and a \$5 fee for each individual event entered. Captains of qualified and alternate teams must complete the Team Application Form, which is found herein. A \$5 registration fee is required for each member of the team, and the entry fee for each team event is \$10.

Enclose in a manila envelope the following: The application form (be sure it's completed)

A check or money order covering the registration and entry fees, payable to AFLA-Nationals

A legal size, stamped, self-addressed envelope.

This is your official entry. It must be addressed to Paul Etter, Bout Committee Chairman, 10661 Wilkins Avenue, Los Angeles, California 90024. No entry will be accepted after June 5.

Importance

The Bout Committee Chairman will check entries against the list of qualifiers and

alternates which has been certified by the AFLA Secretary. Those fencers eligible to compete in the Nationals will be determined. The fees of those fencers not eligible to compete will be refunded no later than June 9, and those fencers whose entries have been accepted and who are eligible to compete will be notified at the same time.

You enter the Nationals only when you have been certified by your division secretary and by the AFLA Secretary and only when the National portion of your annual dues has been received by the National Office, prior to the closing date for entries — June 5, 1967.

Medals and Trophies:

National Championship medals will be presented to winners following the finals of each event. Trophies will be presented during Gala ceremonies July 1.

All 1966 winners of trophies are expected to have them delivered during the Nationals — polished and in good condition.

Publicity

During the Nationals, great effort will be devoted to communicating the values of fencing to the general public. Contestants can help in this effort. Please submit the following information to Joe Elliott, 20033 Saticoy Street, Canoga Park, California:

Name, address, age, college, occupation, employer, salle affiliation, major achievements in fencing, marital and family facts, additional items of interest, and a sharp photograph.

It would also be a great help if each contestant would notify his local news media that he will be fencing in the Nationals.

ATTENTION FENCING CLUBS

To provide a gala atmosphere during the 1967 Nationals, the Southern California Division would like to have large replicas (about 5' x 4') of all Salle emblems. These can be duplicated on posterboard, a banner, or other suitable representation of Salle insignia. We would like to receive them by June 1. Please send to Patricia Etter at 10661 Wilkins Avenue, Los Angeles, California, 90024.

Reservations:

Those planning to attend the Nationals should make advance reservations for the Gala Dinner/Dance and for the women's and sabre finals at Santa Monica Civic Auditorium. Both will be stand-out events.

The cost of tickets to both events is included in the registration fee of contestants. However, competitors who wish to order extra Civic and Gala tickets may do so on their Nationals application forms.

Fencing masters and their wives will be guests of the Southern California Division at the Civic event. Other individuals will want to reserve tickets now. Gala tickets are \$5 each. Tickets for the Civic are priced as follows:

Front Center (reserved)	\$3.50
Other Main Floor (reserved)	\$2.50
Balcony (general admission)	\$1.50

You may obtain these tickets by sending a check or money order payable to AFLA National Championships) to Mrs. Helen Eto, 1447 West 157th Street, Gardena, California. Be sure to indicate the type and number of tickets you want, and enclose a stamped, self-addressed envelope with your order. Your tickets will be mailed to you early in June.

ALVAR HERMANSON

Mr. Hermanson, who retired after coaching the University of Chicago for 38 years, is now actively developing the sport in San Diego. A very young and athletic 71, he writes "I have now retired from my retirement and keep active and healthy by coaching fencing at San Diego State College and the San Diego YWCA. The number of fencers is increasing and a San Diego AFLA division may be revived in the near future." We wish him luck and continued health. He is living at 3660-10 Vista Campana N., Oceanside, Calif. 92054.

JUNIOR OLYMPIC TRI-DIVISIONAL FOIL TEAM COMPETITION

by Richard Gradkowski

At the invitation of the Junior Olympic committee of the Metropolitan division, a special Tri-divisional Junior Olympic foil team match was held Saturday April 15 at the N.Y.U. Washington Square gymnasium.

Selected by their divisions, the four-boy foil teams fenced a complete round robin. After an exciting match the Met. divisions team won first place with two victories, New Jersey was second with one victory and one loss, and Long Island was third with two losses. Each man on the winning team received a marble and gold plaque, and second and third place teams received silver and bronze medals. Prof. Alfred Peredo of N.Y.U. generously hosted the meet and leading directors from the three divisions lent their talents to help our Junior Olympic program.

EQUIPMENT TESTS AT THE NATIONALS

Dan Dechaine, Chairman
Technical Committee

A wide range of tests that will be performed at the Nationals will be comprehensive, ranging up to F.I.E. criteria. You should start working now to ready your equipment to the following tests in the Rule Book:

Rules 21-27
Rules 206, 208, 209, 211, 212, 217, and 217-c
Rules 307-312 and 315
Rules 404, 406 and 407
Rules 732 and 733

You would be most unfortunate to make a trip to the Nationals, only to find that you couldn't fence because your equipment is either unsafe or would place your competitors at a disadvantage. Competitors should arrive at the competitions with their equipment in perfect condition. The responsibility of the Technical Committee between 7 a.m. and 8:30 a.m. each day is to inspect and certify equipment as meeting the standards established for the Nationals. Usually, we just won't have a moment's time to repair your equipment so that it passes inspection. Time permitting, we will be able to repair your weapons at a reasonable cost for the remainder of the fencing day. We also make repair facilities available, if you want to fix your own equipment. But please be sure to bring your own nuts, parts, solder and patience.

Each fencer must have at least two weapons, which have been certified by the technician and which bear the 1967 National Championships Seal. These weapons must be in good working order at the bout.

Wiring cords will be checked for continuity, insulation, and regulation connectors. Each fencer will be equipped with at least two working cords, which have been certified.

Fencers must appear in clothing which conforms to the rules. This includes stockings which fully cover any part of the leg not covered by trousers. Gloves will be checked as they must cover enough of the forearm to protect the fencer against having a blade enter his sleeve.

In foil, men and women must have at least two metallic vests that conform to all specifications and that have been certified by the technician. The mask must conform to Rule 217-c, in addition to the other rules above. Foils will be checked for length of blade, length of weapon, trip travel, insulation of the grip, and legality of grip. You should check your foils to see that the spring in the tip will return a 500 gram weight easily, as this test will be made on the strip as well as during the certification of weapons.

In epee, fencers will be checked to ascertain that they are wearing an underarm protector. Points will be checked for conformity to rules 732 and 733. Older weapons still having the 3.5 mm threading for affixing the button will be rejected.

All sabre blades will be checked for length, width and thickness.

The guards of all weapons will be checked for conformity with the rules. All blades will be checked to determine if they pass the test for curvature (rules 308 and 406).

In addition to the tests above, it has been deemed advisable that all fencers who anticipate participating in upcoming F.I.E. competitions should have their weapons checked for flexibility. This test will not be a part of the official certification procedure at the Nationals. However, our technicians will be happy to make this test, at a convenient time during the day, for those fencers who are planning to enter the F.I.E. events. The flexibility test, incidentally, will be made only on foils and epee.

Good luck in the Nationals! We'll take care of the safety and fairness of equipment.

OLYMPIC COMMITTEE

The USOC Biennial Meeting held in Chicago on February 26 gave final approval to the membership applications of the following AFLA division: Connecticut, Long Island, Maryland, Metropolitan, Michigan, New Jersey, Northern California, Philadelphia, Washington and Western New York. These divisions now hold "Group C" membership in the USOC with the right to vote and participate in all meetings of the USOC. We hope they will take an active interest and will remain in good standing.

WARSAW CUP

by Jack Keane

Captain, 1967 Warsaw Cup Team

After a lapse of two years the U.S. again took part in the extremely tough Wolodyjowska International Sabre Tournament in Poland.

Eight teams took part. The cup was won by Russia (7/0), followed by Poland "A" (6/1), Italy (4/3), Hungary (3/4), USA (3/4), France (2/5), Poland "B" (1/6) and East Germany (0/7). In the individual event Mavlichanov of Russia won his third gold medal. Poland's Piatkowski and Pawlowsky were next, followed by three Russians: Sidiak, Nazlimov and the USSR champion Vinocurov.

The U.S. team of Al Morales, Mike Dasaro, Alex Orban, Jack Keane and Wally Farber, with Chaba Gall as alternate, made a deep impression. Although the team placed fifth several experts rated it higher.

The first opponent was the very powerful Russians who used their strongest line-up and won a clean and enthusiastic match 10/6. Dasaro and Keane each won two and Orban and Morales won one each. There were eight 5-4 bouts and the Russians won seven of them. Even though the score was 10/6, the touches were tied at 66! The President of Jury, Cjakowska, gave us the following critique — "your technique is as good as the best here, but you need more bout concentration and your tactics can stand polishing."

We lost to Poland "A" also by 10/6. For the U.S., Dasaro won 3, Orban 2, Keane 1.

Orban defeated Ochrya 5-0 in a beautiful bout. Hungary was our third opponent. The match was fenced at a high level under an excellent Polish President but a weak jury. Dasaro and Morales each won two, Orban and Keane one each.

We then met France and won 11/5. Morales, Orban, Dasaro and Farber allowed only Parent to take two, while LeFevre, Valle and Panizza each got one. Our next victim was Poland "B" by 9/7 with Orban winning 3 and Dasaro, Farber and Morales two each. We thus could place third if we beat Italy and East Germany. We lost to Italy 9/7 with Montano winning four and the final bout. The team fenced well but in hard luck. Morales, Orban and Keane won two each and Dasaro one. Rigoli, who lost only five bouts to all the other teams, was defeated three times in this one. The match against East Germany was won 11/5 with Keane taking four, Dasaro and Morales three each, and Farber one.

It was a valuable experience for our competitors. The team wishes to express its thanks to the AFLA for the financial assistance which, coupled with personal funds, made everything possible.

1967 NCAA FENCING CHAMPIONSHIPS

by Maxwell R. Garret
Chairman, Bout Committee

New York University won its seventh team title at the 23rd Annual NCAA Fencing Championships held at San Fernando Valley State College. Thirty-seven colleges and universities were represented by ninety fencers. On its way to the team title fencers Mike Gaylor in foil and George Masin in epee, won first place individual honors, while Paul Apostol in sabre garnered the second place award. The individual epee crown resulted in a barrage between Violet's George Masin and Frank Hewitt of Navy. Masin defeated Hewitt in the fence-off 5 to 1. Paul Makler, U of P, was the winner in sabre.

Second place team honors went to University of Pennsylvania while Columbia University garnered third place.

Based upon individual results of this tournament, the following were selected to the All-American Team:

FIRST TEAM

Foil: Mike Gaylor, NYU; Gerlad Esponda, U of P; Art Bear, Columbia

Epee: George Masin, NYU; Frank Hewitt, Navy; Dan Cantillon, U of Detroit

Sabre: Todd Makler, U of P; Paul Apostol, NYU; Paul Profeta, Harvard

SECOND TEAM

Foil: Don Mota, Air Force; Steve Bernard, U of P; Joe Cohen, Temple

Epee: Steve Donlon, Notre Dame; Don Sieja, Cornell; Rick Bauman, Wisconsin

Sabre: John Swanson, Air Force; Dimitri Aerdiushev, Temple; Andy Haliw, Wayne State

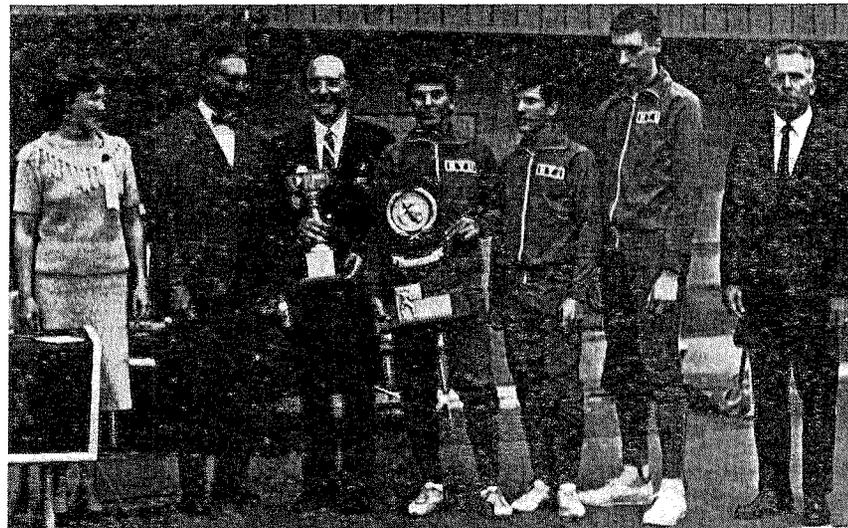

The Illinois Memorial (College Fencer of the Year) Award was presented to Don Sieja of Cornell, while Lajos Csizsar of Pennsylvania was honored as the College Coach of the year.

An added ceremony to the 23rd NCAA tournament included the induction of eight fencers into the Helm's Fencing Hall of Fame Bill Schroeder. The men so honored were:

- Miguel A. de Capriles (Dean of Law School, New York University)
- Hugo Castello (New York University)
- Lajos Csizsar (University of Pennsylvania)
- Irving DeKoff (Columbia University)
- Andre Deladrier (United States Naval Academy)
- Maxwell R. Garret (University of Illinois)
- James Montague (City College of New York) deceased
- Stanley Sieja (Princeton University)

HIGH PRAISE INDEED

"Dear Mr. Lewis:

In line with my interest in the national physical fitness program, I take this opportunity to cite and commend those responsible for the teaching of the sport of fencing in the State of New Jersey.

I wish to cite the New Jersey Division of the Amateur Fencers League of America and the Fencing Coaches of New Jersey for their national leadership in fencing as a competitive sport and as a recreational activity, and for their sponsorship and direction of the United States Junior Olympic Fencing Program.

Sincerely yours,
RICHARD J. HUGHES

DELAWARE DIVISION

by Roger U. Owings

keeping with President Lewis' urging promotion of fencing on a wide public scale the Delaware Division has made considerable progress in publicizing the sport. The state has no fencing whatsoever in the school or college athletic programs. Cooperation with Athletic Directors has produced apparent interest. The foremost barrier appears to be the lack of capable instructors and current teaching staffs. Outside amateur fences are taboo.

With this handicap, division members have had to concentrate their publicity efforts to a general public. Along this direction, demonstrations this year have been made in scout groups, Community Centers, and church groups.

The most recent effort involved an exhibit of statewide sports show. The display included all types of weapons, an electrical timing machine in operation, large drawings illustrating the various target areas and an audiovisual showing of one of the A.F.L.A. action movie films. Over a hundred copies of A.F.L.A. literature was handed out. An estimated total of 2,900 viewers passed through the show during the eight hour exhibit. Many complimentary remarks were heard but more encouraging were the half a dozen individuals who later visited our salle to get a closer look at fencing.

AMERICAN FENCING

RECENT FIE RULES CHANGES

Rewrite 3rd paragraph, article 18

He will, in any case, before each bout control the pressure of the spring in the point of the electric weapons and, for the Epee, the total travel and the residual travel of the pointe d'arret:

"—the total travel when introducing between the pointe d'arret and the button a thickness gauge of 1.5 mm; and

"—the residual travel on introducing between the pointe d'arret and the button a thickness gauge of 0.5 mm, application of pressure on the pointe d'arret shall not cause the registering of the apparatus."

Article 327

The fact that the fencer who is signaled as touched finds his blade broken is reason to annul the touch scored on him by his adversary, unless the breaking of his blade happens clearly after the touch is registered.

Article 654

Change the end of the second paragraph to read —

"—at the first order to do so by the President or if he appears with equipment in bad working order." etc.

Article 28

Change by adding the following paragraph —

INTERCOLLEGIATE WOMEN'S FENCING CHAMPIONSHIP

by Denise O'Connor

Cornell University, displaying a very fine controlled fencing game, won the Intercollegiate Women's Fencing Championship with an undefeated record in the 2 day event, held at Hunter College on April 7 and 8. The Cornell team, coached by Michel Sebastiani, defeated first seeded Fairleigh Dickerson University of Teaneck, in a well fenced match, with a score of 10 to 6. Defending champion, Princeton State, finished in second place by defeating FDUT 11 to 5. In the last 9 years, Princeton has won the championship seven times; Fairleigh Dickerson two times. Third place, from among the fifteen teams that competed, was won by Fairleigh Dickerson University Teaneck. Jersey City placed fourth, followed by Montclair State and Hunter College. Cornell at Preziosi of FDUT won the individual with a final round record of 8 to 1. Carol Middeldorf of Paterson State was second, followed by Ann O'Donnell of Jersey State.

Individual Champions — Carol Middeldorf, PSC, Pat Preziosi, FDUT, Ann O'Donnell, JCSC.

PAN AMERICAN GAMES

We wish to announce that a resident of Dallas, Texas, Mr. Phil Geller of the Dallas "Y" Fencers Club, has been appointed a member of the Canadian Pan American Games Committee. Mr. Geller is well known in the Southwest and Mexico.

The Pan American Games will be held in Winnipeg, Manitoba, Canada. The Games will run from July 22nd to August 7th. One week after the World Championships in Montreal.

ILLINOIS

by David C. James

The 6th Annual Chicago Land Open (International) was held April 1-2 weekend at the Sherman House. Portions of the tourney were televised, Saturday by NBC and Sunday by CBS.

Hotel President Gerry Kaufman ('56 NCAA Sabre Champion) judged throughout the Sabre Finals, while Division Chairman Jacques deLannoy and Fencing Master Allan January (Chicago FC) each provided many hours of high calibre directing. Directing "under observation", for possible future recommendation to Directors List #1, were Joan Cammach (Illinois Womens Champion) and Ed Longstreet.

Among the spectators were members of the Mid-America Fencers Club, soon to join the coordinated teamwork of college and AFLA fencers which has produced the Chicago Land and next month the Mid West Sectionals.

The trophies awarded were Roman war swords for 1st, battle hammers for 2nd and 3rd, and medals to all finalists.
