1934 European Championships (Warsaw, POL - 1934.VI.20-29)

Each country was allowed a maximum of six fencers in the individual events. The team events consisted of four-person teams.

Women's Foil Team (1934.VI.20)

For the women's foil team event, the final round was held as a pool of 4 teams. The Hungarian team beat the other three teams and so was placed first. The teams from Germany, Great Britain, and Italy each had one victory. There was not enough time to hold a fence-off for these three teams and so they were all credited with a second place finish.

1937 Senior World Championships (Paris, FRA - 1937.VII.19-30)

After the Olympic Games of 1936, the Italian government of Benito Mussolini announced a program of cash rewards for any Italian athlete who won at an Olympic or World Championship. The Italian fencing federation requested that the "European Championships" be henceforth named "World Championships". The FIE approved this request and the first competition to be officially called a World Championships were held in 1937 at the Palais des Sports in Paris.

1947 Senior World Championships (Lisbon, POR - 1947.V.29-VI.10)

The 1939 World Championships had been scheduled to be held in Merano, Italy, from 31 August through 14 September but were canceled because of increasing hostilities in Europe. This was fortunate because World War II began on 1 September. No World Championships were scheduled or held between 1940 and 1946 because of World War II and reconstruction.

In 1947, the Egyptian sabre team's bronze medal was the first time a country outside of Europe won a medal in the fencing World Championships.
